

Welcome!

Dear Parents and Students,

Welcome to the Studio! We are pleased that you have selected us and placed your confidence in us. We want to assure you that every student receives individual attention, an opportunity for advancement, and self-confidence in their achievements.

At Creative Dance & Music Studio, our ultimate goal is quality instruction of a proper foundation, in a fun learning environment. Our mission is "To provide all students with a love and appreciation for dance and music to last a lifetime."

Our private music and voice lessons ensure individual attention is given to each student and can progress at a level suited to them individually. Please give us a minimum of 8 weeks to work with each child, after which we may deem it necessary to place the student in a more suitable level according to his or her age, potential, and experience. This is done to give your child a most rewarding music season.

Parents, please take a few moments to become familiar with our rules and policies on the back of your registration form and contained in this brochure. If you have any questions, please don't hesitate to ask.

Sincerely,

Lori L. Weil
Director

Reasons to Choose Us for Music Instruction

Focus On Teaching

All we do is teach. We do not sell or rent instruments of music. This leaves us free to specialize in one thing - providing the highest quality of music instruction.

University Trained Teachers

Our instructors are highly qualified and many have extensive performance experience. Most importantly, our instructors strive to relate their teaching to each individual student's learning style.

Private Lessons

Private lessons ensure that the student has the undivided attention of the teacher and can progress at a level suited to them individually.

All Ages - Beginners to Advanced

Our current students range from 5 years old to adults. We take care to teach what you want to learn so music is rewarding for students of all ages and levels.

Our Studio's Mission

*To provide students of all ages
with the skills they need to enjoy
music and dance for a lifetime.*

Year End Recitals

Students are given an opportunity to perform in our year end recital held in June. All of our music recitals have free admission, so the whole family and friends can attend to enjoy the performances. We will continue our tradition of bringing in food bank donations to recitals making the events both enjoyable and meaningful. Details are distributed in March & April.

Private Lessons:

Private lessons are offered on the 2 most popular instruments (piano & guitar) and voice. We have found that private one-on-one instruction allows students to progress at their own pace and gain the best understanding of musical techniques. Student can start private lessons as young as 6 years old for piano and 8 years old for guitar and voice. Students can start private lessons any time of the year or month so there's no need to wait to get started. A variety of styles are taught such as pop, jazz, rock and classical. Contact the studio office in your location to see which times and days are available.

Private lessons are weekly lessons 30 minutes in length.

All private lessons are \$28/lesson. The yearly tuition fee is averaged over the number of months you are enrolled. Students attending the full year (Sept-June) is averaged to \$95 per month. Music books may also be purchased at the studio for a nominal fee.
