Music Recital

For our music students, attached is a survey form to help us plan the music recital. Each music student can perform a piece to show their family and friends what they learned this year. Our music students and teachers work hard in each lesson and this is a great way for them to show off their talents. The recital is small, informal and low pressure.

Please return the survey at the desk by February 22.

Dance Classes need Group Moms!

All dance classes need Group Mom volunteers to help the day of the show. Group moms are there to serve as a liaison between parents and teachers. If we can have each class have 3-4 volunteers, that would be fantastic. What are group moms responsible for?

Serve as a meeting point at rehearsal so the class stays together.

Answers questions about the revue, costumes, etc.

Brings the class back stage before their numbers.

Returns the class to their dressing areas.

Has extra accessories, costumes instructions, line-ups etc.

Group moms are NOT responsible for dressing and changing students other than their own children. Each parent is responsible for their own child.

Being a group mom is a really easy task that will help your child & their class at the show. It's such an easy thing to do and really keeps our show running smoothly.

Sign up sheets are posted on the bulletin board. We appreciate your help!
